→ Participation at the expert seminar is free. Workshops take place at Alice Salomon University of Applied Sciences (ASFH), Alice-Salomon-Platz 5, 12627 Berlin, in Room 301, 3<sup>rd</sup> floor. Take the U5 and get off at "Hellersdorf" and follow the signs to "Alice Salomon FH". You can already see the ASFH from across the platform.

→ All participants take care for accommodation themselves.

→ For further information about the programme or the alumni initiative "alice in the field" visit the website [www.alice-in-the-field.org](http://www.alice-in-the-field.org).

<sup>1</sup> Since the Expert Seminar takes place during festivities of the 100th anniversary of the Alice Salomon University, this event provides a great opportunity to present working results and beyond that, the alumni initiative 'alice in the field' itself to the public.
